

Minutes of Meeting: Dan-Cristian Culea, Alexandru Cornel Ciresnea, Jordan Pring, Shun “Marco” Hei Lai, Ziggy Attala

Date: 6th of December 2017

Start time: 12:00 **End time:** 17:45

Date and time of next meeting: 7th of December 15:15

Topics discussed:

- Dan: everyone should do the task as they were assigned for A1
- Ziggy: I would like to do BidManagement to understand it better and Dan can do ArtworkManagement to understand it better (Dan agreed)
- Alex: I already did the the Profile, Bid, Artwork and Sculpture classes
- Dan: we should use IDs for Artwork and Bid so we can redo the references when we reboot the system with information saved offline (Ziggy: I know how we can do that efficiently)
- Dan: I will keep the minutes

Progress since last meeting: - (first meeting)

TODO (for next meeting):

- Ziggy: BidManagement, Main,
- Dan: ArtworkManagement, Database
- Alex: ProfileManagement
- Marco: Start, Searching Screen (both GUI)
- Jordan: Home, Register (both GUI)
- Finding Liam
- Liam: write all the class(es) involved in Drawing the profile image

Minutes of Meeting: Dan-Cristian Culea, Alexandru Cornel Ciresnea, Jordan Pring, Shun “Marco” Hei Lai, Ziggy Attala

Date: 7th of December 2017

Start time: 15:15 **End time:** 20:30

Date and time of next meeting: 8th of December 13:30

Topics discussed:

- Dan: Database is a big class and it will be time consuming, and I need to prepare for my job interview. I think it will be best if Alex and Ziggy take over it since they are better coders than me
- Dan: I'll explain to Marco, Jordan and possibly Liam how the backend works
- Ziggy: We will need to modify some classes to make sure they interact well together
- Alex: I will help you with that Ziggy
- Ziggy: Liam sent me his part but it's pretty much unusable, I say we give him another chance

Progress since last meeting:

- BidManagement, ArtworkManagement, ProfileManagement, Start, Searching Screen, Home, Register are done

TODO (for next meeting):

- Ziggy and Alex: Main, Database, modify classes
- Marco and Jordan: make the GUI look neat and consistent
- Liam: properly write all the class(es) involved in Drawing the profile image

Minutes of Meeting: Dan-Cristian Culea, Alexandru Cornel Ciresnea, Jordan Pring, Shun “Marco” Hei Lai, Ziggy Attala

Date: 8th of December 2017

Start time: 13:30 **End time:** 17:00

Date and time of next meeting: 9th of December 12:00

Topics discussed:

- Ziggy: I think everyone should write their part for the contributions report, in their own words
- Ziggy: The Javadoc comments look good, we only need to make a copy of the website
- Dan: Who is going to do the Demo?
- Ziggy: I still haven't received anything useful from Liam

Progress since last meeting:

- The back end of the system is working
- The GUI looks good

TODO (for next meeting):

- Anyone: Get GUI and the backend working together
- Anyone: Do the Demo
- Everyone: Do the finishing touches
- Liam: properly write all the class(es) involved in Drawing the profile image

Minutes of Meeting: Dan-Cristian Culea, Alexandru Cornel Ciresnea, Jordan Pring, Shun “Marco” Hei Lai, Ziggy Attala

Date: 9th of December 2017

Start time: 12:00 **End time:** 13:15

Date and time of next meeting: - (last meeting)

Topics discussed:

- Dan: Everything looks good, I think we can submit (everyone agrees)
- Dan: When should I explain to you guys how the backend works?
- Jordan: I can't today.
- Dan: I can't do it on any day other than Tuesday morning. (Jordan and Marco agree)

Progress since last meeting:

- Demo (Ziggy, Alexandru, Marco)
- GUI and back end working together (Ziggy, Alexandru, Marco)

TODO (for next meeting): - (last meeting)
